

How to get to the KOHLERN

With the cable car:

Kohlern is also connected to Bolzano by cable car, the world's first cable car since 1908. Timetable every half and full hour from 7.00 a.m. to 7.00 p.m. (summer timetable until 7.30 p.m.). Large, unguarded but safe car park at the valley station of the cable car. We have 3 parking spaces at the valley station reserved for our guests: parking spaces no. 1, 2 and 3. A code is required to open the barrier.

Comfortable bus connections directly to and from the valley station to and from the center.

Leave your luggage at the mountain station, we will take care of it and bring the same to your room!

Pick-up service from Bolzano:

If you arrive by train or plane, we will be happy to pick you up at the train station or at the airport in Bolzano. Just let us know your arrival time (at least 1 day before!). Current taxi tariff.

By car:

Coming from the north: A22 Bozen Nord exit, then turn right towards Bozen-Bolzano center to an intersection with a roundabout, drive around or turn left here, stay on the right after the motorway underpass and pass the valley station of the Kohler cable car on the left, up a 9 km short, winding mountain road, always in the direction of Kohlern. The Gasthof Kohlern is located right next to the chapel, somewhat hidden behind another house, in front of the Gasthof Klaus, after the mountain station of the cable car and after the Kohlern end of town sign.

Coming from the south and from Meran: Exit A22 Bozen Süd, straight ahead, always in the direction of Bozen-Bozen/Zentrum, straight ahead after the Virgl tunnel, no longer in the direction of Zentrum, up to the 1st street. Crossroads with a roundabout, turn right here, stay on the right after the motorway underpass, past the valley station of the Bolzano / Kohlern cable car on the left, up on a 9 km short, winding mountain road towards Kohlern. The Gasthof Kohlern is located next to the Chapel somewhat hidden behind another house, in front of Gasthof Klaus, after the mountain station of the cable car and after the Kohlern end of town sign.
